

COVID 2022 Cancellations- special conditions

These cancellation conditions are applicable specifically to the current COVID 19 epidemic which may affect in one way or another the delivery of services reserved by the client. These conditions are valid only for the 2023 winter season (January, February, March).

The broad principle is that "Drive & Travel" will allow the postponement of benefits for the current year or the following year at the latest in the event of a positive PCR test:

-Vouchers for pre-paid services like driving, nordic activities, and reception will be issued and must be used before the end of the 2023 or 2024 season.

-There is still a balance due for the plane ticket and hotel stay.
